To: Local business supporter

From: The Scouts BSA and Venture Crew of Troop 116

Subject: Troop 116 Spaghetti Dinner and Silent Auction

Since 1915, Scout Troop 116 of Wyncote has helped generations of young people become responsible adults. Its sibling, Venture Crew 116, was established in 2010 and is composed of young women and men between the ages of 14 and 20.

Troop 116 is holding its 12th annual spaghetti dinner and silent auction fundraiser on Saturday, May 4, 2024. We are requesting your kind donation of any goods, services, gift certificates, or other items to be offered at this silent auction.

Some of the money raised will go into a general fund for troop supplies (new tents, camping gear). The bulk of the proceeds, however, goes directly into Troop accounts for the individual boys and girls. We want Scouting to be available to all, and this aspect of the fundraiser helps our boys and girls defray the costs of their skill building and high-adventure excursions over the course of the year, as well as summer camp.

Our troop has a reputation for exciting outdoor adventures and developing young leaders. In addition, Troop 116 gives back to the community through service projects ranging from placing flags on veterans' graves to the most successful annual food drive in our Scouting district, along with many construction, cleanup, and gardening projects at a variety of local parks, fire stations, libraries, churches, and synagogues.

Your donation will support the Troop and Crew, helping them take advantage of the best that Scouting can offer and developing future leaders with a strong commitment to their community.

Your donation may be tax deductible. We are considered a Section 501(c)(3) non-profit organization (Tax ID number 23-1365216). Please consult your tax adviser for the rules relating to charitable deductions for your donations. (We cannot offer tax advice.)

Troop and Venture Crew 116 thank you for your support.

Sincerely

Reid Bramblett

Scoutmaster, Troop 116
